## CAMP PROGRAM OVERVIEW

The BEST summer camp in Anne Arundel county features a structured curriculum that is designed to maximize each child's physical strengths and creative outlets in a non-competitive environment with plenty of unstructured time for PLAY! Every camp session includes our great Art, Music, and Gym – all tied together with the weekly theme. Daily activities include tumbling, strength & agility courses, arts & crafts, games, singing, dancing and so much more!!!

Our creative Gym games will challenge them physically with individual skills and cooperative, team building exercises too. Our curriculum meets many of the Maryland State Physical Education Standards for PK – 12. We will also work on fine motor skills with our artistic and educational activities that focus on the process not necessarily the finished project. And let's not forget about snack time (which is provided by you!)
